

The background features a central light blue circle surrounded by three concentric light blue circles. Four dark blue circular shapes are positioned at the top, bottom, left, and right edges, partially overlapping the concentric circles. Small colored dots (pink, yellow, blue) are placed at the intersections of the concentric circles and the dark blue shapes.

Home Page after authentication

The screenshot shows the Afnic member area home page. At the top, there is a dark blue header with the Afnic logo on the left and a 'LOGOUT' button on the right. Below the header, a dark blue bar contains the text 'member page and contacts information before renewing your membership for 2019.' The main content area has a light blue background with the text 'Welcome to your member area TEST PROD' and 'Your membership is valid until 2019/12/31. Your membership number: D5393'. A 'Renew now' link is provided. The page is divided into several sections: a left sidebar with navigation links, a main content area with a welcome message and a membership renewal prompt, and a right sidebar with a 'Tweets' section. The left sidebar includes links for Home, My account, My member page, My contacts, My invoices and certificates, Manage your membership, Associative Activities, Associative documents, Calendar, Members Directory, Members Exclusivities, Communication tools, and Functioning of the Association. The main content area features a 'Home' section with a welcome message and a 'You can renew your membership online easily and in a few clicks : manage your membership' prompt. Below this are sections for 'My next appointments' (General Assembly - June 14th 2019, Board meeting - June 14th 2019) and 'My member exclusivities' (New - Membership fees for 2019). The right sidebar shows a 'Tweets' section with a tweet from Internet Society FR about an IoT group in France.

My contacts

Don't forget to check and update your contacts. You can also delete or add new ones.

The **administrative contact** corresponds to the person (or persons when there are several) who is in charge of relations with Afnic within your membership. He receives communications and invitations, it is most often the person who participates in meetings.

You can designate another contact "password recipient" if you wish. It is this contact who will receive the password reset email in case of forgetfulness (one of the contacts has been designated by default for the moment).

Finally, you can select a "directory contact" to appear in the members' directory (accessible only in this space).

Broadcast your news

As a member, you have the possibility to relay your news in the monthly newsletter of Afnic: events you organize, interviews in a reference medium of our sector of activity, studies, research, initiatives, new service (except promotional and purely commercial) ... For this, you just need to send your items (title + presentation of 3/4 lines + an associated link for more information) **before the 10th of each month** to communication@afnic.fr.

Download the Afnic member logo :

 | Membre

 | Membre

Talk about Afnic

As a member of Afnic, you can use this logo on your communication media (download logo by clicking on it).

The good readability of the logo is to be favoured when choosing the colour.
The logo must be "protected" by a minimum free space that no graphic element must disturb. It is measured by using the letter "a" of Afnic". The space corresponds to half of its height. This space is equal to half the letter on the entire periphery of the logo.

Functioning of the Association

Afnic is governed by Articles of Association and rules of procedure. Its decision-making bodies are the Afnic Board, composed of 5 elected members and 5 appointed members, and the General Assembly of the members. These bodies decide on Afnic's strategy, based on the advice of the advisory bodies: the consultative committees of the registrars and users members and the International College. Afnic also has honorary members.
